

WELCOME TO PARADOX CHURCH!

April 20, 2024

Right Now, We Are Celebrating the Season of Easter

Paradox is on a three-year journey through the Liturgical Calendar, and Lent is the fourth (of seven) season of the year.

The Season of Easter is a fifty-day celebration in which we honor the Resurrection of Jesus Christ. This Resurrection reminds us that there are things and moments we encounter which transcend both life and death.

You are living the Resurrection every time you...

...forgive another.

...give your heart away.

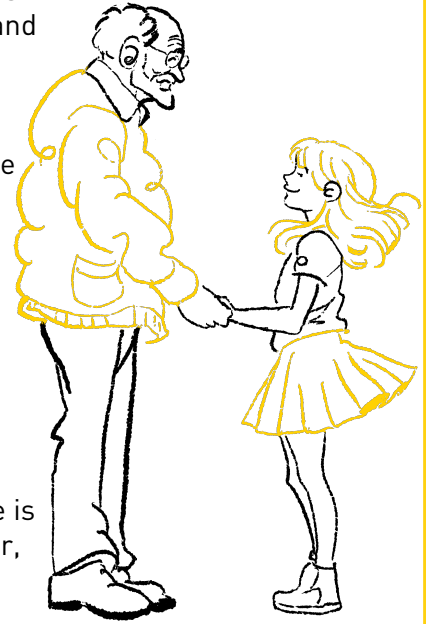

...are the first to apologize.

...carry another's pain.

...laugh at a dinner table.

...make the world better.

During this season, we try to transcend the idea that eternal life is something for later, and instead, see how we can live as if eternal life is happening right here, right now. As we celebrate this season together, our hope is that it renews your passion and energy for life, and you begin to see and embrace Heaven and Earth as united in the One.

Paradox was founded in 2016. We are a non-denominational community church of Redlands.

We exist to see and embrace Jesus Christ in **ALL**.

If you want to keep the conversation going, please pick up a Discussion Guide in the lobby after the service.

Currently, we are one of three openly affirming LGBT+ churches in the city of Redlands.

Paradox Kids (ages 2-10) meets every Saturday at 9:15 am in the Fellowship Hall.

Please fill out a community card and place it in the offering bucket. Your participation helps us to be a personal church.

Our church is possible because of our volunteers. If you'd like to get involved, email jasmine@paradoxredlands.com

A MESSAGE FROM PASTOR CRAIG

Our mission at Paradox is to see and embrace Jesus Christ in all.

And all includes 3000-year-old stories and 3-year-old songs.

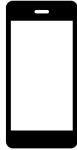

This is what Paradox Church is all about.

If you are looking for a spiritual home and community, we'd love for you to join us.

Just come talk to me after the service, and we can start a conversation about what this means.
